FELLOWS ACADEMY**

**FEBRUARY 27- MARCH 2, 2018  
CHICAGO, IL**

Join us at the Innovations Suite Researcher -Practitioner Fellows Academy on February 27- March 2, 2018. The objectives include creation of a network of researchers and practitioners actively engaged in partnerships, action research, and use of evidence-based practices. The goal is to build capacity for identifying and responding to emerging and chronic crime problems, analysis of these problems, linking strategies to research-based practice, and encouraging a culture of experimentation to further develop and sustain evidence-based practice.
